MEMORANDUM FOR: Deputy Director of Central Intelligence

FROM : SA/DCI/IA

SUBJECT : Narcotics Testimony

1. Attached for your review is a draft statement on international narcotics for your use with the SSCI next Wednesday. The text is based on the inputs received from ICS, DDO, DDI, and OGC and follows the outline in your SSCI book. Where appropriate, I borrowed language from Admiral Inman's 22 April statement.

2. The draft is fairly complete--my only thought is that the first section on "Trends and Developments" is a bit lean. I asked [redacted] OGI, to prepare some more detailed analysis on trafficking routes and methods, in case you wish to say more. In addition, the draft is quite lengthy. If you wish to provide a shorter version for the record, I will be happy to condense it into about six pages.

3. I am passing copies out to those who will be attending your Friday pre-brief meeting [redacted] John Stein, [redacted] and [redacted]-OGC) for corrections and comments. My suggestion is that we discuss the statement on Friday as well as whom you want to accompany you and any additional backups you need.
